Sub News published in 'Deshabhandu' Kannada Daily dated 2-9-48 re assault on the Harijans at Anekal when they visited a Public hotel

I have the honour to state that it has been reported that on 31-8-48 a foot-ball match had been arranged by some students of Anekal town and that at about 6-30 P M all the students numbering about 30 and some High School teachers came to the Nehru Cafe for tiffin, and consequently there was unusual rush in the hotel, and that about 6 Harijans including one High School student Yelliga came to the same hotel for tiffin at that time Due to scanty accommodation in the hotel, they are standing by the side of a table inside the hotel The hotel proprietor I N Natarajan came to know that some Harijans had entered his hotel and went to them, and requested them to go away, as he was not aware of the rules of the Government giving them permission to enter the hotel and also stated to them that if any person who knows the law comes and convinces of the existence of the rules, he had no objection to provide them all facilities Thereupon, the Harijans left the hotel and did not complain of the incident to the police or sought their help either before or after the incident The Harijans who had entered the hotel were not assaulted either by the caste Hindu customers or by the management of the hotel High School Head Master Sri Ramachandra Rao, teacher Sri Ramaswamy Ramdoss and Yelliga, the harijan student who had visited the hotel, have all corroborated the above facts Hotel keeper Nataraja has given a written statement that he was not aware of the rules and that he may be warned for sending away the Harijans out of ignorance I shall make personal enquiries in the matter and submit a report re action to be taken against the Proprietor of the Hotel
